Spaghetti Dinner held for Matthew 25 Church House

On June 17, Southfield Village hosted a benefit spaghetti dinner for employee Denise Herron, who has been worked in the dietary department since 2002. Denise and her four children have been chosen to be the recipients of a Matthew 25 Church House. Matthew 25 is a ministry started in 1994 by the pastor and leaders of Kern Road Mennonite Church, and today involves nearly 40 churches in the planning, funding and building of a home each summer. Their motiva-

tion is based on Matthew 25:34-40, which is the Scripture where Jesus tells his followers that when they do things for the "least of these," who are the poor, broken-spirited or desolate, we are in fact doing these things for Him.

The Herron family thanks the many generous people who attended the spaghetti dinner and those who have donated to this great cause.
