

# Light up the Sky for National Nurses Week

May 6-12, 2024

Join us as we Light up the Sky to thank nurses for enriching our lives, our Greencroft Communities, and the world we live in! The American Nurses Association has declared May 6-12, 2024 as Nurses Week, in appreciation for nurses' unparalleled impact and their contributions to healthcare.

This year we are illuminating the spirit of nursing excellence by lighting up landmarks in blue across the country in honor of National Nurses Week. The "#NursesLightUpTheSky" campaign is designed to rally citizens across the country in support of nurses.
